POWERED BY ClayTrack

Trap not throwing? Tell us.

Report it from your phone without leaving your round. It reaches our staff in seconds.

1. **Score your round in ClayTrack**
2. **Tap Report an issue**
   Pick what is wrong: no throw, broken clays, machine down, or a safety concern.
3. **We fix it**
   You get a note when it is done.

What our staff see, seconds later

Someone hurt or in danger? Tell a range officer right away. Don't wait on an app.

Get ClayTrack free

Point your phone's camera at the code. It opens the App Store or Google Play.

No app? Open **app.claytrackapp.com** in any browser.
