

SPORTING CLAYS

STATION-BY-STATION SCORECARD

claytrackapp.com

One card per shooter. Each station holds up to **10 targets** – mark each shot in its grid (five pairs, or any mix of singles and pairs). Put the station's hits in the subtotal row, then the grand total at right. Use only your course's stations.

NAME / DATE																		Total
1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	

NAME / DATE																		Total
